

# **Meridian Connect**

The Drag and Drop Way to Send Your Files

#### **App Installation**

Meridian has made significant invensements in technology aimed at improving how your files are sent and recieved. As a result, we are proud to announce Meridian Connect.

Follow the few simple steps below and you will be ready to start deivering your files with greater ease than ever before.

#### Step 1

Begin by choosing the nessecarry platform for your machine.

### Step 2

Once your selection has been made, a pop-up window will appear. Select 'Open with' (Your choice of Zip Program), then hit 'OK'.

Opening Remote_Meridian Connect.zip						
You have chosen to open:						
Remote_Meridian Connect.zip						
which is: zip Archive (4.5 MB)						
from: https://dl.dropboxusercontent.com						
What should Firefox do with this file?						
Open with 7-Zip File Manager (default)						
Do this <u>automatically</u> for files like this from now on.						
OK Cancel						

# Step 3

After you have opened the downloaded file in your zip program, double click the file link. Your installation will begin immediately. Once download is complete it will automatically be placed on your desktop and Meridian Connect will open.
